

Quality Policy Statement

A1 Integrated Global Academy Limited strives to deliver the best driving training to Nigeria through a curriculum that features a range of formal, informal and practical courses tailored to each individual client needs.

Our approach and methods are contemporary and factor the peculiarities of driving in Nigeria, while adopting international best practices.

In our service delivery, satisfying customer and applicable requirements is something that drives and motivates our team and which we have established as obligation to deliver.

We are also committed to constantly seek out and apply continual improvement of our Quality Management System.
